Jeffrey W. Morrill  
NuOrtho Surgical Inc.,  
Chief Executive Officer  
151 Martine Street  
Fall River, MA 02723

Dear Mr. Morrill,

Congratulations to you and NuOrtho Surgical Inc., on your successful efforts to date on working to build an innovative business and create quality jobs in the Commonwealth of Massachusetts. Please know that my office stands ready to help you take advantage of the abundance of available resources that the Commonwealth has to offer.

I am excited that companies with great promise are working hard to bring progress to our state. When we hear so much about how companies are unable to compete in today's global climate, NuOrtho is actively taken the necessary steps towards becoming a leader as it grows, develops and markets its healthcare products across the country, and throughout the world.

Again, thank you for all your time and effort to help jump start Commonwealth's economy, especially in the SouthCoast region.

Best wishes for continued success,
